

MANAGEMENT SYSTEM CERTIFICATE

Certificate no.:
10000400216-MSC-RvA-DEU

Initial certification date:
17 September 1993

Valid:
01 November 2024 – 31 October 2027

This is to certify that the management system of

NEUMAN & ESSER GmbH & Co. KG

Werkstraße o. Nr., 52531 Übach-Palenberg, Germany

and the sites as mentioned in the appendix accompanying this certificate

has been found to conform to the Quality Management System standard:

ISO 9001:2015

This certificate is valid for the following scope:

Consulting, sales, design, engineering, research and development, modernization, production, packaging, installation and commissioning, maintenance, repair of

- **plants and systems for the compression of gases and production of hydrogen**
- **sealings elements and high-performance materials for rotating and oscillating systems**
- **grinding, classifying and grinding-drying systems,**

Sales of spare and wear parts, technical advice and customer training

Consulting, project development and project management for plants and systems for the production of green gases, including operational management, maintenance, repair and sales of spare and wear parts for corresponding plants

Place and date:
Barendrecht, 05 June 2026

For the issuing office:
**DNV - Business Assurance
Zwolsseweg 1, 2994 LB Barendrecht,
Netherlands**

Erie Koek
Management Representative

Appendix to Certificate

NEUMAN & ESSER GmbH & Co. KG

Locations included in the certification are as follows:

Site Name	Site Address	Site Scope
NEUMAN & ESSER GmbH & Co. KG	Werkstraße o. Nr., 52531 Übach-Palenberg, Germany	Production Business Unit – Gas Generation & Compression Solutions and Process Solutions Design, engineering, research and development, production and repair of plants and systems for the compression of gases Production of grinding and classifying systems Design, engineering, research and development and production of hydrogen production plants Contract manufacturing
NEUMAN & ESSER GmbH & Co. KG, Maschinenfabrik - Werk 1	Werkstraße o. Nr., 52531 Übach-Palenberg, Germany	Production Business Unit – Gas Generation & Compression Solutions and Process Solutions Design, engineering, research and development, production and repair of plants and systems for the compression of gases Production of grinding and classifying systems Design, engineering, research and development and production of hydrogen production plants Contract manufacturing
NEUMAN & ESSER GmbH & Co. KG – Werk 2	Boschstraße 6, 52531 Übach-Palenberg, Germany	Production Business Unit – Gas Generation & Compression Solutions and Process Solutions Design, engineering, research and development, production and repair of plants and systems for the compression of gases Production of grinding and classifying systems Design, engineering, research and development and production of hydrogen production plants Contract manufacturing
NEUMAN & ESSER Deutschland GmbH & Co. KG, Vertrieb und Anlagentechnik	Werkstraße o. Nr., 52531 Übach-Palenberg, Germany	Sales Business Unit – Gas Generation & Compression Solutions Consulting, Sales, design, engineering, packaging, installation and modernization of plants and systems for the compression of gases Consulting, sales, design, engineering and packaging of hydrogen generation and filling systems Integrated solutions for hydrogen generation and compression Coordination of installation and commissioning

Site Name	Site Address	Site Scope
NEUMAN & ESSER Process Technology GmbH	Werkstraße o. Nr., 52531 Übach-Palenberg, Germany	Sales Business Unit – Process Solutions Consulting, sales, design, engineering, research and development of grinding, classifying and grindingdrying systems, modernization of powder processing systems Sales of spare and wear parts
NEUMAN & ESSER Deutschland GmbH & Co. KG, Vertrieb und Anlagentechnik	Dresdener Straße 73, 04808 Wurzen, Germany	Sales Business Unit – Gas Generation & Compression Solutions Consulting, Sales, design, engineering, packaging, installation and modernization of plants and systems for the compression of gases Consulting, sales, design, engineering and packaging of hydrogen generation and filling systems Integrated solutions for hydrogen generation and compression Coordination of installation and commissioning
NEUMAN & ESSER Hochdrucktechnik GmbH	Ruhrorter Straße 45, 45478 Mülheim an der Ruhr, Germany	Production Business Unit – Gas Generation & Compression Solutions Sales, design, engineering, production, assembly of high-pressure compressors, valves and tube fittings
NEAC Compressor Service GmbH & Co. KG	Werkstraße o. Nr., 52531 Übach-Palenberg, Germany	Sales Business Unit – Gas Generation & Compression Solutions Installation, commissioning, maintenance, revision, repair and modernization of systems for the compression of gases Sales of spare and wear parts, technical consulting, customer training Maintenance, installation and commissioning of hydrogen generation plants
NEUMAN & ESSER Maschinenfabrik Wurzen GmbH	Dresdener Straße 73, 04808 Wurzen, Germany	Production Business Unit – Gas Generation & Compression Solutions Design, engineering, research and development, production and repair of plants and systems for the compression of gases
STASSKOL GmbH	Maybachstr. 2, 39418 Staßfurt, Germany	Production Business Unit – Gas Generation & Compression Solutions Consulting, sales, design, engineering, research and development and production of sealings elements and high-performance materials for rotating and oscillating systems for a wide range of media Production and sales of spare and wear parts

Site Name	Site Address	Site Scope
STASSKOL Inc. USA	1530 East Summitry Circle, Katy, TX, 77449, USA	Sales Business Unit – Gas Generation & Compression Solutions Consulting, sales, design, engineering and production of sealings and high-performance materials for rotating and oscillating systems for a wide range of media Production and sales of spare and wear parts
NEAC Compressor Service USA, Inc.	1502 East Summitry, Katy, TX 77449, USA	Sales Business Unit – Gas Generation & Compression Solutions Installation, commissioning, maintenance, revision, repair and modernization of systems for the compression of gases Sales of spare and wear parts, technical consulting, customer training Maintenance, installation and commissioning of hydrogen generation plants
NEUMAN & ESSER USA, Inc.	1502 East Summitry Circle, Katy, TX 77449, USA	Sales Business Unit – Gas Generation & Compression Solutions Consulting, sales, design, engineering, packaging, installation, commissioning, and modernization plants and systems for the compression of gases Consulting, sales, design, engineering and packaging of hydrogen generation and filling systems
NEUMAN & ESSER Process Technology USA, Inc.	1502 East Summitry Circle, Katy, TX 77449, USA	Sales Business Unit – Process Solutions Consulting, sales, design, engineering of grinding, classifying and grindingdrying systems, modernization of powder processing systems Sales of spare and wear parts
NEUMAN & ESSER ENGENHARIA E SOLUÇÃO LTDA.	Rua Gabriela de Melo, 401 Olhos D'agua, 30390-080, Belo Horizonte, Minas Gerais, Brazil	Sales Business Unit – Gas Generation & Compression Solutions and Process Solutions Consulting, sales, design, engineering, packaging, installation, commissioning, maintenance, inspection, repair, modernization, spare parts, technical advice and customer training of systems for the compression of gases, hydrogen generation and filling systems, Grinding and classifying

Site Name	Site Address	Site Scope
NEUMAN & ESSER Italia S.r.l.	Via Varesina 162 - 20156 Milano - Italy	Sales Business Unit – Gas Generation & Compression Solutions and Energy Project Solutions Consulting, sales, design, engineering, packaging, installation, commissioning, maintenance, inspection, repair, modernization, spare parts, technical advice and customer training of systems for the compression of gases, hydrogen generation and filling systems Consulting, project development and project management for plants and systems for the production of green gases
NEUMAN & ESSER Gulf FZE	P.O. Box 61449, Jebel Ali Free Zone, Dubai, United Arab Emirates	Sales Business Unit – Gas Generation & Compression Solutions Installation, commissioning, maintenance, revision, repair and modernization of systems for the compression of gases Sales of spare and wear parts, technical advice and customer training Maintenance, installation and commissioning of hydrogen generation plants
NEUMAN & ESSER Gulf FZE – Office Saudi Arabia	Workshop No. 4, First Industrial Area, Road No. 118, Building No. 3298, 35717, Jubail, Kingdom of Saudi Arabia	Sales Business Unit – Gas Generation & Compression Solutions Installation, commissioning, maintenance, revision, repair and modernization of systems for the compression of gases Sales of spare and wear parts, technical advice and customer training Maintenance, installation and commissioning of hydrogen generation plants
Neuman & Esser Beijing Co., Ltd.	Room 2102, Hyundai Motor Building No.38, Xiaoyun Road, Chaoyang District Beijing - China 100127	Sales Business Unit – Gas Generation & Compression Solutions and Process Solutions Consulting, sales, design, engineering, packaging, installation, commissioning, maintenance, inspection, repair, modernization, spare parts, technical advice and customer training of systems for the compression of gases and integrated solutions for hydrogen generation and compression Sales of grinding, classifying and grindingdrying systems

Site Name	Site Address	Site Scope
NEUMAN & ESSER South East Asia Ltd.	178/1 Moo 7 T. Phe, A. Muang Rayong, Thailand, 21160	Sales Business Unit – Gas Generation & Compression Solutions and Process Solutions Consulting, sales, design, engineering, packaging, installation, commissioning, maintenance, inspection, repair, modernization, spare parts, technical advice and customer training of systems for the compression of gases, hydrogen generation and filling systems Sales of grinding, classifying and grindingdrying systems
Stasskol India Pvt Ltd.	T-121/122, MIDC, Bhosari, Poona - 411 026, Maharashtra, India	Sales Business Unit – Gas Generation & Compression Solutions Consulting, sales, design, engineering and production of sealings for rotating and oscillating systems for a wide range of media Production and sales of spare and wear parts
NEUMAN & ESSER Engineering India Pvt. Ltd.	T-121/122, MIDC, Bhosari, Poona - 411 026, India	Sales Business Unit – Gas Generation & Compression Solutions and Process Solutions Consulting, sales, design, engineering, packaging, installation, commissioning, maintenance, inspection, repair, modernization, spare parts, technical advice and customer training of systems for the compression of gases, hydrogen generation and filling systems Sales of grinding, classifying and grindingdrying systems
NEUMAN & ESSER Energy Project Solutions GmbH & Co. KG	Rhenus-Platz 3, 59439 Holzwickede, Germany	Sales Business Unit – Energy Project Solutions & Investment Management Consulting, project development and project management for plants and systems for the production of green gases Operational management, maintenance, repair and sales of spare and wear parts for corresponding plants
Hytron Energia e Gases Industriais Ltda.	Avenida John Dalton, 220/222 - Techno Park, 13069-330, Campinas, SP, Brazil	Sales Business Unit – Gas Generation & Compression Solutions Development of solutions for hydrogen generation and energy systems
